

## Remember!

### The Round Oak Square Base Heater saves that 38% of Heat Energy otherwise Wasted in Smoke!

The powerful improved hot blast in the Round Oak heaters converts that 38 per cent of carbon in the smoke into heat units which are directly radiated into the room. This saving of 38 per cent in fuel is very important but when, on account of other and quite as interesting features, the Round Oak saves an additional 12 per cent, it instantly commands your favorable consideration.

Study the Stove itself—See that absolute control is built into the stove, not simply assured. Discover why the patented cone center grate and double fire pot prevent clinkers, with cheapest fuel—Examine the extra heavy cold rolled boiler iron body—See the door frames riveted on—gas tight for life—Ask the weight. Do this and you, too, will know why this is the one and only heater that sound judgment would recommend for your choice.

## OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs.

This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 200 years GOLD MEDAL Haarlem Oil has been relieving the weaknesses and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haarlem Oil is inclosed in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a small swallow of water. The

oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haarlem Oil Capsules will keep you in health and vigor and prevent a return of the disease.

Do not wait until old age or disease have settled down for good. Go to your druggist and get a box of GOLD MEDAL Haarlem Oil Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand in sealed packages.

### Can Now Eat and Sleep in Comfort

If troubled with indigestion or sleeplessness you should read what Miss Agnes Turner, Chicago, Ill., has to say: "Overwork, irregular meals and carelessness regarding the ordinary rules of health, gradually undermined it last fall until I became a wreck of my former self. I suffered from continual headache, was unable to digest my food, which seemed to lay as a dead weight on my stomach. I was very constipated and my complexion became dark, yellow and muddy as I felt. Sleeplessness was added to my misery, and I would awake as tired as when I went to sleep. I heard of Chamberlain's Tablets and found such relief after taking them that I kept up the treatment for nearly two months. They cleansed my stomach, invigorated my system, and since that time I can eat and sleep in comfort. I am today entirely well."

Each Stearns & Foster mattress is sold on a 60-night trial guarantee. A special sale of these high grade mattresses at the old price of \$12.50, this week only, at Callaway's. 73-tf
